SCENIC CHERRY ORCHARDS IN THE
YARRA VALLEY

About CherryHill Orchards

CherryHill Orchards is an Australian-owned and operated cherry grower in Victoria.

Our two flagship orchards in the Yarra Valley welcome visitors for our annual Blossom Festival, cherry-picking, and private event hire, including weddings.

CherryHill offers a unique and authentic setting for couples seeking a relaxed country wedding immersed in the beauty of the orchard.

Located in the Yarra Valley, only one hour's drive from Melbourne's CBD, our scenic orchards are idyllic DIY wedding venues that offers couples the flexibility to design their dream day, complemented by a lush farmland setting.

A standout feature of our venues is the captivating panoramic views of rolling hills, providing an ideal backdrop for a picturesque ceremony and reception.
